ITEM NO. 2

The Company has received the consent and certificate of M/s. Natvarlal Vepari & Co., one of the two retiring joint auditors, under Section 139 of the Companies Act, 2013 for their re-appointment as auditors of the Company. Mr. Himanshu Parikh is the Vice Chairman of the Company. He retires by rotation at the 14th Annual General Meeting. However, he has expressed his desire not to seek re-appointment at the meeting due to personal reasons. The Board has decided not to fill the vacancy caused by Mr. Parikh's retirement.

Accordingly, the approval of members is sought not to fill the vacancy caused by the retirement by rotation of Mr. Himanshu Parikh.

The Board recommends the resolution no.3 for the approval of members.

None of the directors or key managerial personnel of the Company or their relatives is / are, in any way concerned or interested in the proposed resolution.

ITEM NO. 4

Mr. Naresh Chandra, Chairman of the Company, was appointed by the members at the 13th Annual General Meeting as an independent director of the Company for a period of five years. However, Mr. Chandra had informed the Company that due to his increased involvement with the Company as Chairman he should no longer be treated as an independent director of the

Notice (Contd.)

Company. The Company has since then classified him as a director liable to retire by rotation.

Since the law / procedure for changing the designation of a director appointed as an independent director under Section 149 of the Companies Act, 2013 is yet to develop the approval of members is sought, by way of abundant caution for Mr. Naresh Chandra's appointment / change in designation from an independent director to a director liable to retire by rotation.

Mr. Naresh Chandra was born on 1st August, 1934 and is over 80 years old. He has a masters' degree in Mathematics. He is an expert in administration, management and corporate legal affairs, which he gained during his long association with the Indian Administrative Service till 1992 and thereafter as a member of the India-US Sub-Commission on Economic Affairs and Commerce, as the co-chairman of India-US Working Group on Technology Transfer, as a Senior Advisor to the Prime Minister of India, as the Governor of Gujarat, as the Ambassador of India to the United States of America and as the chairman of the Central Government Committees on 'Corporate Governance', on 'Private Companies and Limited Liability Partnership' and on 'Civil Aviation Policy'. ITEM NO. 5 TO 8

As the members are aware, we are an infrastructure developer in the public-private participation projects ("**PPP Projects**"). We bid for government and semi-government projects offered for private participation. The scheme of PPP Projects, as framed by the Central Government and followed by all governments and its agencies envisages formation of a special purpose vehicle ("**SPV**") to implement the project as and when the tender is won. The scheme of PPP Projects also envisages bidding to be made by a single entity or a consortium of more than one entity. The scheme also envisages equity support / financial support by the bidder / consortium of bidders to the SPV for implementing the project.

A substantial part of the project cost for the PPP Project is raised by the SPV by way of loans from term lenders. The successful bidder / consortium of bidders ("**Promoter**") bring in the equity part of the project by infusion of capital in the SPV. The Promoter is also called upon to give collateral support for the project loan of the SPV by way of bank guarantees / corporate guarantees and / or undertakings / pledge of equity stake etc. The Promoter may also be required to give undertakings to meet project cost overrun, shortfall in working capital, shortfall in terminal payments etc. The concession agreements and loan agreements the SPV enter into contain these requirements.

Transactions between the Promoter and the SPVs like the infusion of equity, giving and taking of loan and financial guarantees and securities etc. are in the ordinary course of business of the Promoter, though they may be classified as related party transactions. These transactions should also be considered as at arm's length as these are entered into after hard negotiations with term lenders who are generally in a much stronger bargaining position than the Promoter.

In the opinion of the Company's Board, such related party transactions entered into by the Company with the Company's SPVs do not require members' approval under Section 188 of the Companies Act, 2013.

However, the monetary value of the transactions enumerated in the resolution no.5 to 8 exceed 10% of the annual consolidated turnover of the Company as per the audited financial statements of the Company for the financial year ended September 30, 2014 and have been entered into with SPVs which are not wholly owned by the Company. These transactions are deemed to be 'material related party transactions' under Clause 49 of the listing agreement.

SEBI has by its circular dated April 17, 2014 (**SEBI Circular**) provided that all existing material related party contracts which are likely to continue beyond March 31, 2015 should be placed for approval of members in a general meeting.

As the members are aware, the infrastructure industry has been going through a period of depression, mainly on account of government and regulatory inaction and lack of coordination. Most of the projects have got delayed mainly on account of land acquisition and environmental issues. The delays have inflated the cost of construction and have adversely affected the financial health of infrastructure developers.

Gorakhpur Infrastructure Company Ltd. ("**GICL**") is the SPV promoted by the Company to construct and operate a four lane bypass to the Gorakhpur town on National Highway 28 in the State of Uttar Pradesh. Mumbai Nasik Expressway Ltd. ("**MNEL**")

Notice (Contd.)

is the SPV promoted by the Company for four laning and operating the Vadape - Gonde stretch of the National Highway 3 between Mumbai and Nashik in the State of Maharashtra. Vizag Seaport Pvt. Ltd. ("VSPL") is the SPV promoted by the Company to construct and operate two multipurpose berths in the inner harbor of the Visakhapatnam Port.

MNEL and VSPL are two of the stronger SPVs with projects in operational phase. The GICL project, though in operation, faced inordinate delays on account of land acquisition issues leading to cost overrun and has been financially supported by the Company by inter corporate deposits aggregating to over ₹ 245 Crores. To support the weak projects, the Company may, at times take support from stronger projects like MNEL and VSPL. MNEL, VSPL and GICL have minority interest (being consortium partners). The minority interest in GICL is held by the holding company, Gammon India Ltd. The Company has ensured the protection of minority interest in MNEL and VSPL by paying interest at above the borrowing cost of these SPVs.

The Bank Guarantee issued by the Company on behalf of MNEL from Bank of India, the Company's bankers is a collateral support given by the Company in favour of lenders for the MNEL project.

The agreements / arrangements pertaining to the matters covered by the resolutions are available for inspection of members at the registered office of the Company at any time during business hours from 9.30 a.m. to 5.00 pm till the date of the 14th Annual General Meeting.

The day to day operation of the Company should normally vest with the Board of Directors with the members in general meeting exercising only supervisory powers. However, we are compelled by the SEBI Circular to place the past transactions, which have already been acted upon, referred to in resolution no. 5 to 8 for your approval. The Company will be put to severe financial strain if any of the resolutions is not approved by the members. Accordingly, the Board strongly commends the resolution no. 5 to 8 for your acceptance.

Some of the directors / key managerial personnel of the Company are also directors in MNEL / GICL / VSPL and may be considered as interested to that extent.

ITEM NO. 9

In order to enable the Company to raise additional long-term finance by issue of equity shares and / or other equity linked securities in the domestic/international markets, as and when required, it is proposed to take an enabling resolution to increase the Authorised Share Capital of the Company from the existing ₹ 200 crores to ₹ 250 crores with the consequential alterations in the Capital Clause of the Memorandum of Association of the Company.

The provisions of the Companies Act, 2013 require the Company to seek the approval of the members for increasing the Authorised Share Capital and for altering the Capital Clause of the Memorandum of Association.

The Memorandum of Association shall be available for inspection of members at the registered office of the Company at any time during business hours from 9.30 a.m. to 5.00 pm till the date of the 14th Annual General Meeting.

The Board accordingly recommends resolution no. 9 for the approval of members.

None of the directors or key managerial personnel of the Company or their relatives is / are, in any way concerned or interested in the proposed resolution.
