Notes:

- The financial results were reviewed by the Audit Committee and have been considered and approved by the Board of Directors of the Company at their respective meetings held on February 11, 2016. These results have been subjected to a limited review by the Statutory Auditors of the Company.
- During the previous quarter, the company had signed a Share Purchase Agreement for divesting nine of its project companies (6 road and 3 power) to the consortium comprising funds managed by Brookfield Asset Management and its affiliates ("Brookfield") and Core Infrastructure India Fund Pte Ltd ("CIIF") (collectively the "Consortium") under the name BIF India Holdings Pte Ltd.
The Key terms of the transaction includes:
- The consideration towards equity comprises of cash consideration of approx. Rs. 192 crore and a waiver of advances to GIPL of Rs. 285 crore;
- The project SPVs being taken over will repay the inter corporate deposits of approx. Rs. 371 crore given by GIPL to the Project SPVs;
- Additional cash inflow of upto Rs. 100 crore may be realized by GIPL upon crystallization of certain milestones in future.
- GIPL group will also benefit further from:
a) The outstanding liabilities to the tune of Rs. 87 crore will stand reduced.
b) 75% of past contingent receivable may also be received by the Company when realized.

The transaction is subject to necessary regulatory approvals, consents from the lenders, satisfaction of certain contractual conditions.

The agreement inter-alia contemplates as conditions precedent certain waivers / write offs of inter group balances, modification/cancellation of certain existing O&M agreements and other obligations on the Company. The cumulative quantifiable effect of adjustments upto December 31, 2015 would result in reduction of profit to be recognized on completion of the transaction by an amount of approx. Rs. 16.73 crore.

The effects arising out of other adjustments which would crystallize around the transaction date based on balances then are not quantifiable presently.

GAMMON INFRASTRUCTURE PROJECTS LIMITED

- 3 During the earlier period, one of the subsidiary of the Company had initiated correspondence with NHAI towards closure of its project on mutually acceptable terms primarily due to non-availability of Right of Way to the site and Forest clearances. Subsequently vide their letter dated 29th August 2014, NHAI unilaterally terminated the concession agreement and also invoked the bank guarantees to the tune of Rs. 1,129.11 lakhs. The Company's total exposure to this project includes investments and loans and advances of Rs. 8,169.96 lakhs. The subsidiary has initiated Arbitration proceedings. The management believes that it has a strong case in this matter. Pending outcome of the Arbitration proceedings, no adjustments have been made to the unaudited financial results. The auditors in their review report have modified their conclusion in this matter.
- 4 During the earlier period, Mormugao Port Trust ('MPT') had unilaterally sought to terminate with a subsidiary the Concession Agreement for the project citing non-compliance with certain terms of the concession agreement. MPT also encashed the bid security bank guarantee for Rs. 200 lakhs despite the stay order issued by the Hon. District Court, Goa. The court had passed stay order from carrying into effect the termination of the agreement. The subsidiary has already taken further action in the matter by filing arbitration proceedings which is pending. The Company's exposure including investments and loans and advances is around Rs 626.72 lakhs. The management believes that it has a strong case in this matter. Pending outcome of the legal proceedings, no adjustments have been made to the unaudited financial results. The auditors in their review report have modified their conclusion in this matter.

Auditor's qualification:

As detailed in Note 3 and Note 4 to the Statement, with respect to two subsidiaries where the authorities had unilaterally terminated the Concession Agreement against which these subsidiaries are taking steps to claim compensation/relief as per the Concession Agreement. The Company's exposure to these projects is Rs. 8,796.68 lakhs. As the outcome of these matters is uncertain, we are unable to comment on the recoverability including any provisioning towards the same and any consequential impact, arising thereof, on these unaudited financial results. In respect of the above matters, our audit report for the nine months period ended September 30, 2014 was similarly modified.

- 5 The equity invested in the nine SPVs for which the company has signed a Share Purchase Agreement, (as mentioned under Note 2 above), is Rs. 32,903.28 lakhs, corresponding to which the fair value is Rs. 18,226.67 lakhs (as on Mar'15) excluding the Loans given by few of these SPV's to GIPL amounting to Rs. 28,468.61 lakhs (as on Mar'15) totaling to an overall value of Rs. 46,695.28 lakhs, thereby an excess of Rs. 13,792.00 lakhs.

On an individual basis, valuation of few SPVs are lower than the equity invested to the extent of Rs. 19,711.91 lakhs. However, pursuant to the sale transaction, since on an overall basis, there is significant excess of total value to the total equity invested, the Company has not provided for diminution in value of investment on an individual basis. The auditors in their review report have modified their conclusion in this matter.

Auditor's qualification:

As detailed in Note 5 of the Statement, the Company has not made provision for diminution for value of Investments, including provision towards loans advanced, in respect of few of its subsidiaries forming part of the equity investment in 9 SPV's for which the Company has signed Share Purchase Agreement for reasons stated in the said note. On account of the non-provision for the diminution for the value of investments and provision for doubtful advances, the profit for the quarter and the fifteen month period ended December 31, 2015 is overstated by an amount of Rs. 19712 lacs. This was also modified in our Limited review report for the period ended 30th September 2015.

- 6 In respect of the following projects there are legal issues, arbitration proceedings or negotiations with the grantor for which the Management is taking necessary steps to resolve the matters. These issues are commonly encountered in the Infrastructure business and the management is confident of a favourable resolution in due course. The auditors in their review report have made an emphasis of matter on these matters.
- (a) Bridge project at Cochin - the Greater Cochin Development Authority has sought to end the toll collection by unilaterally sealing the toll booth. The subsidiary has initiated arbitration / settlement. The Company has also parallelly filed a writ in the matter before the Hon. Kerala High Court for specific performance. The exposure of the Company is Rs. 2,512.53 lakhs (funded and non-funded).
- (b) Hydro power project at Himachal Pradesh - the project is stalled due to local agitation relating to environment issues. The matter with state Government is under active negotiation to restart the project or reimburse the costs incurred. The exposure of the company is Rs. 7,153.36 lakhs.
- (c) Container terminal at Mumbai - where the group is a Joint Venture (JV) partner, the project is delayed due to non-fulfillment of certain conditions by the Mumbai Port Trust. This has resulted in the company incurring losses and default in repayment of debt obligation. The matter with the MBPT is under active discussions for resolving the outstanding issues. The management is also negotiating with the bankers for re-scheduling the loans. The exposure of the Company in the JV is Rs. 12,777.99 lakhs (funded and non-funded).
- 7 The Company's Current Liabilities exceeds Current Assets by Rs. 44,766.15 lakhs as at December 31, 2015 (Rs. 40,772.66 lakhs as on September 30, 2014) The Company is taking various steps to meet its commitments, both, short term and long term in nature including execution of the share purchase agreement as detailed above. Based on detailed evaluation of the current situation, plans formulated and signed Share Purchase Agreement for few of its subsidiaries, management is confident that the carrying values of the assets and liabilities in these unaudited financial results are appropriate. Accordingly the accompanying financial results do not include any adjustments that may result from these uncertainties. The auditors in their review report have highlighted the same as an Emphasis of Matter.
- 8 During the previous period on account of inadequacy of profits, the company had paid managerial remuneration in excess of the limits specified under Schedule XIII of the Companies Act 1956 and Schedule V of the Companies Act 2013 wherever applicable. The total amount paid in excess of the limits as computed under the respective regulations was Rs. 208.55 lakhs. The Company had filed an application to the Central Government for approving the excess managerial remuneration which has been partly rejected and the Company is advised to seek refund of Rs. 204.50 lakhs of excess remuneration. The Company is making application for review of the decision and therefore no effects are taken in financials. The auditors in their review report have modified their conclusion in this matter. For the current financial period the management contends that the managerial remuneration shall be within the limits specified under the Companies Act, 2013.

Auditor's qualification:

As detailed in Note 8 of the Statement, excess remuneration of Rs. 208.55 lakhs, is paid to the managerial persons beyond the limits specified in schedule XIII to the Companies Act 1956/Schedule V to the Companies Act 2013. The said amount has been charged to statement of profit and loss for the nine months period ended September 2014. The excess remuneration was subject to approval from the Central Government for which the Company had made the necessary applications. The application has been partly rejected by the Central Government and it has directed the Company to recover the excess remuneration of Rs. 204.50 lakhs. The Company however is applying for review of the decision pending which no adjustments have been made to the Statement for the said amount.

To
The Board of Directors
Gammon Infrastructure Projects Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Gammon Infrastructure Projects Limited ('the Company') for the quarter and fifteen months period ended December 31, 2015 (the "Statement"). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. *As detailed in Note 3 and Note 4 to the Statement, with respect to two subsidiaries where the authorities had unilaterally terminated the Concession Agreement against which these subsidiaries are taking steps to claim compensation/relief as per the Concession Agreement. The Company's exposure to these projects is Rs. 8,796.68 lakhs. As the outcome of these matters is uncertain, we are unable to comment on the recoverability including any provisioning towards the same and any consequential impact, arising thereof, on these unaudited financial results. In respect of the above matters, our audit report for the nine months period ended September 30, 2014 was similarly modified.*

Act 1956/Schedule V to the Companies Act 2013. The said amount has been charged to statement of profit and loss for the nine months period ended September 2014. The excess remuneration was subject to approval from the Central Government for which the Company had made the necessary applications. The application has been partly rejected by the Central Government and it has directed the Company to recover the excess remuneration of Rs. 204.50 lakhs. The Company however is applying for review of the decision pending which no adjustments have been made to the Statement for the said amount.

6. Based on our review conducted as above, *except for the effects of the matter stated in paragraph 4 and 5 above and the possible effects of the matters arising out of our comments in paragraph 3 above*, nothing has come to our attention that causes us to believe that the Statement prepared in accordance with applicable accounting standards as specified under section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. Without qualifying our review conclusion, we draw attention to the following matters which were also referred to in our audit report issued for the nine months period ended September 30, 2014:
 - a) Note 6(a) of the Statement, regarding unilateral termination and closure of Concessions in a bridge project, which is subject to pending litigations/arbitrations at various forums which may impact the carrying values of investments and loans and advances given to a subsidiary. Pending conclusion on these legal matters, no adjustments have been made in these unaudited financial results.
