### **Item No. 4**

#### **A. Background**

The Company is a holding company which presently holds 6,43,13,847 equity shares of Rs.10/- each being 73.76% shareholding in Vizag Seaport Private Limited (“**VSPL**”), a material subsidiary of the Company.

The Company carries on its operations through its subsidiaries which are Special Purpose Vehicles (“**SPV**”) set up for execution of various projects. Relatively subdued economic growth, as well as delays during the construction phase for number of projects over the last few years coupled with Covid 19 pandemic situation

has posed severe challenges to the infrastructure sector in general, as well as the Company in particular. The Company has been facing severe liquidity issues. The Company has not been able to raise funds from banks due to the banking system facing NPA challenges and several of the Companies subsidiaries facing insolvency. Further, raising funds from other investors has been difficult due to the risk averse appetite of investors in general to invest in infrastructure sector. Hence, raising funds to complete delayed projects and / or sustain infra projects under public private partnership Model has faced more severe liquidity crisis recently.

Delays in execution of our infrastructure projects led to cost over-runs. Three of our subsidiaries are facing insolvency. Other subsidiaries on its own are also facing financial stress. The management is working towards resolving pending liquidity issues at the Corporate and SPV (subsidiaries) levels.

Towards meeting these challenges and in the best interests of the Company and its subsidiaries, the Company has been exploring various strategies / options to sustain value and turn around operations to meet expectations of the shareholders.

## **B. Divestment / Dilution in VSPL, a material subsidiary of the Company**

With a view to infuse liquidity in the Company as well as to secure the best interest of the Company and its stakeholders, the Directors of the Company are exploring options to divest the investment in Vizag Seaport Private Limited (“**VSPL**”), a material subsidiary Company either through sale / transfer or dilution in a manner which will enable both the Company and VSPL to raise funds.

Dilution of shareholding of the Company in VSPL, if considered, may be as a result of the issue of the further shares by VSPL, whereby the Company may consider to renounce its rights offer of shares or approve to issue shares in VSPL to any investor(s) as decided by the Board of Directors of the Company.

The Board of Directors of the Company in its meeting held on 6<sup>th</sup> June, 2021 has proposed to sell / transfer / dispose / dilute in any manner whatsoever of upto 35% of the total paid up capital of VSPL. Nevertheless, the Company will strive to continue to be a single largest shareholder in VSPL.

The sale / transfer / disposal shall be made at a price which shall not be less than the fair market value of the shares. The said shares are presently pledged with the lenders. The sale / transfer / disposal may be subject to the approval of the concerned lenders. The consideration to be received on said sale / transfer / disposal shall be utilised for general corporate purposes including but not limited to repayment of loans, inter-corporate deposits and other payment obligations of the Company.

Members of the Company are further requested to note that Section 180 (1)(a) of the Companies Act, 2013 mandates that the Board of Directors of a company shall exercise the power to sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking(s) of the company, only with the approval of the members of the Company by way of a special resolution. Explanation (i) to Section 180(1) (a) of the Companies Act, 2013 states that the meaning of an ‘undertaking’ for

the purposes of Section 180(1) of the Companies Act, 2013 is an undertaking in which the investment of the company exceeds twenty percent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty percent of the total income of the company during the previous financial year. Explanation (ii) to Section 180 (1)(a) of the Companies Act, 2013 states that the meaning of 'substantially the whole of the undertaking' for the purposes of Section 180(1) is in any financial year, twenty percent or more of the value of the undertaking as per the audited balance sheet of the preceding financial year. Pursuant to provisions of Section 180(1)(a) of the Companies Act, 2013 read with Companies (Management and Administration) Rules, 2014, consent of the shareholders is also required to be obtained through postal ballot. Provided that any item of business required to be transacted by means of postal ballot under clause (a) of Section 110(1) may be transacted at a general meeting by a Company which is required to provide the facility to members to vote by electronic means under Section 108 of the Companies Act, 2013, in the manner provided in that Section.

Regulation 24 of the Listing Regulations, inter alia, provides that no company shall dispose of shares in its material subsidiary which would reduce its shareholding (either on its own or together with other subsidiaries) to less than 50% or cease the exercise of control over the subsidiary without passing a special resolution in its General Meeting, except in cases where such divestment is made under a scheme of arrangement duly approved by a Court/National Company Law Tribunal.

Approval of the members by way of special resolution is being sought pursuant to Section 180(1)(a) of the Companies Act, 2013 and Regulation 24 of SEBI Listing Regulations to sell, transfer, dispose or dilute in any manner whatsoever of upto 35% of the total paid up capital of VSPL, a material subsidiary of the Company. It is specifically clarified that none of the Promoters, Directors, Key Managerial Personnel and their respective relatives (as defined under the Companies Act, 2013 and rules formed thereunder) would be involved in purchase of the shares of VSPL.

The Board is of the opinion that the proposed divestment or dilution in VSPL would be in the overall interest of the Company and its stakeholders and recommends the passing of the special resolution as set out at Item No. 4 of the Notice.

None of the Directors, key managerial personnel or their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution.

By order of the Board,
