The Company has not accounted the invocation of the Corporate Guarantee as the Company has litigated the same before the NCLT Mumbai where the matter was heard and dissenting order dated 17.12.2024 was passed by the members. The matter was placed before the Hon'ble President under Section 419(5) of the Companies Act, 2013, for constitution of a Third Member Bench. Recovery officer recorded with consent of parties that the demand notice is deferred. On 5th May,2026 the Ld. Recovery Officer then advised to move the matter and get the same expedited before the Ld. Presiding Officer. The next hearing on the matter is scheduled on 7th July,2026.

5. **Project related notes:** In respect of the following projects/Special Purpose Vehicles (SPVs) of the Company where the company has investment there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

- a. **Indira Container Terminal at Mumbai:** During the year 2024-25, the Company has transferred control to the new management pursuant to one time settlement with the lenders and has transferred its entire shareholding in the Company retaining only beneficial interest in equity instrument in respect of 16.29%. The Company has accounted the beneficial interest as non-current investment classified as investment at fair value through profit and loss. Further since the Company has retained beneficial interest in the equity instruments only from the year ended March 31, 2025 the management does not expect material changes to its fair value and hence is carried without any adjustments to its fair value.

All Pending litigations will now be taken up by the new management. However, the Bank Guarantee of Rs. 3,500 lacs continue to be given in the favor of lenders even after the OTS has been achieved. The Company is taking steps to release the Bank Guarantee by replacing the bank guarantee from the new investors.

The net exposure of the Company in ICTPL including investments and loans is Rs. 4,834.87 lacs (funded) and Rs 3,500 lacs (non- funded bank guarantee).

- b. **Pravara Renewable Energy Limited**– Pravara had entered into a Project Development Agreement (PDA) with Karkhana (Padmashri Dr. Vithalrao Vikhe Patil Sahakari Sakhar Karkhana Limited) for the development of a 30 MW Cogeneration Project on Build-Own-Operate-Transfer (BOOT) basis. The Concession period is 25 years from Commercial Operation Date (COD).

Karkhana had taken illegal / unauthorized possession of the Plant and had been running the plant without authorization / consent of the Company. No information was forthcoming regarding purchase/sales from the project although the same are carried out in the name of the SPV. The receiver appointed by the DRT did not report the transaction to the SPV and was operated the unit without recourse to the management of the SPV. The SPV is marked as a NPA by the lenders. There are multiple legal challenges existing before various fora which are not concluding. It came to the knowledge of the SPV that the Securitization Application No. 209/2021 filed by Karkhana was withdrawn in view of the DRT order dated 27-02-2025 wherein it was noted that the Plant was auctioned and in view of the banks recovering their dues in the auction , the purpose for filing the Securitization Application had been fulfilled and therefore the applicant (Karkhana) had withdrawn the Securitization application No. 209 of 2021. The SPV unaware of these developments and aggrieved by the DRT order, filed an appeal on 01-04-2025 before DRAT, Mumbai and has also sought relevant documents from Central Bank of India and DRT Aurangabad. In view of no proper response being received, the SPV has filed Interim Application (IA) before DRT, Mumbai to seek the details and documents of auction from the Bank. The Tribunal directed the bank to file the disclosure, the bank filed its disclosure on January 05,2026, and said IA is now pending for hearing on July 21st ,2026.

Lenders of the SPV , Central Bank and Union Bank had filed OA No. 69 and IA 509 before DRT Delhi against the SPV and its directors for recovery of their dues. The SPV had challenged jurisdiction and filed written statements and counterclaims. Multiple IAs were heard and while the final arguments and disposal of pending IAs is ongoing, matter has been further adjourned to 3rd July, 2026. The

Tribunal erroneously held SPV's written statement as time-barred against which the SPV has filed an appeal under Section 20 of the RDB Act.

In view of the multiple legal issues going on at various fora and the SPV still being not in possession of the Plant, the entire funded exposure of the Company in the SPV had already been provided in the books on a prudent basis. The non funded exposure of the Company is Rs 19,167.00 lacs.

In view of the above-mentioned facts the management of the Company contends that:

1. The litigation is outstanding since more than 3 years and there is no progress in the matter before the courts.
2. The receiver appointed by the DRT did not report the transactions to the Company and took decisions of the Company Management.
3. Since there is no progress in the matter in accordance with IND AS 110 para 7 the Company has effectively lost control over the operations and is unable to direct the variable rights from its exposure in its favour.
4. It has no record of transaction entered into on its accounts nor it has access to its cash flows.

Therefore, pending the settlement of the litigation, the Company contends it has no control and does not satisfy para 7 of INDAS 110.

The Statutory Auditors of the SPV on account of non-inclusion of aforesaid transactions conducted by the receiver has given a disclaimer of opinion as at March 31, 2024. The Financial Statement of the SPV are not available since then.

- c. **Sidhi Singrauli Road Project Limited** (SPV of the company) had signed a Concession Agreement (CA) for 30 years for upgradation of the existing highway from two-lane to four-lane with Madhya Pradesh Road Development Corporation Limited (MPRDC) ON BOT basis.

In respect of the aforesaid Concession, the said Madhya Pradesh Road Development Corporation had terminated the contract against which the SPV had filed claims for wrongful termination and initiated dispute resolution. The Ministry of Road Transport and Highways (MORTH) was also roped into the litigation. The SPV applied for amicable resolution with MPRDC and MORTH and pursuant to the acceptance, the Conciliation committee was formed. After several rounds of conciliation proceedings, the conciliation committee finally decided on the amount of claim. Pursuant to the acceptance of the conciliation committee decision by all parties, the SPV, MPRDC and MORTH entered into a Settlement agreement dated 25th March 2025.

The SPV had also been simultaneously discussing with the bankers for an one-time settlement (OTS) for settling its dues of a staggering 1,10,462.42 lacs which includes principal and unpaid interest. The terms of the OTS was agreed by way of an in-principle sanction dated January 16, 2025. The Company, SPV and all the lenders entered into a One Time Settlement Agreement dated March 18, 2025, pursuant to which MPRDC and MORTH paid an amount of Rs. 27,500 lacs directly to the lenders in full and final settlement of their dues on 16th April, 2025.

The Salient features of the settlement agreement with MORTH and MPRDC was the following:

1. Payment of a Sum of Rs. 27,500 lacs directly to the lenders against their OTS sanction

2. Payment of a sum of Rs. 31,064 lacs directly to the sub-contractor who has been working on the project and whose claims have directly been lodged to MPRDC.
3. All GST liability will be borne by the EPC Contractor. We are informed that they have raised the invoices and paid the GST. Therefore, the SPV is not required to raise any invoices towards the OTS Settlement amount of Rs. 27,500 lacs.

During the year, the SPV has received a confirmation from the Lead Bank of the Consortium of lenders regarding the receipt of Rs 27,500 Lacs in full and final settlement of dues as per one time settlement agreement dated 18th March,2025.

Against the Corporate Guarantee given by the Company to the lenders of the SPV, the lenders had invoked the said Corporate Guarantee of the Company which the Company had accounted for as current financial liability. The SPV has received no dues cum release certificate from Punjab National Bank (Lead Bank) on behalf of all the members of the Lenders Consortium confirming that the Corporate guarantee given by the Holding Company i.e. AJR Infra & Tolling Limited (Corporate Guarantor) has been released and the Corporate Guarantor is discharged from all liabilities and Bank dues.

In view of the aforesaid settlement and subsequent receipt of no due cum release certificate, the Company has reversed the said liability in its books and reversed the provision made against the receivable from the SPV. The said reversal is shown as an Exceptional item.

- d. The Company had incorporated a SPV for developing **Rangit-II Hydroelectric Power Project in Sikkim** on Build, Own, Operate and Transfer (BOOT) basis. The Project involves the development of a 66 MW run-of-the-river Hydroelectric Power Project on Rimbi river, a tributary of river (COD). The Project is presently in a state of limbo pending the signing of PPA and achieving financial closure. The Company had received an advance for acquisition of the SPV along with the project. As per the MOU signed with the Prospective Buyer, the Purchase consideration of Rs 2,000 lacs was received upfront but it was subject to the due diligence to be conducted and SPA being signed within 31st March,2025. Till then, the captioned amount of Rs 2,000 lacs was supposed to be treated as a refundable advance. The buyer had conducted the necessary due diligence, however there were pending approvals from authorities, due to which the SPA was not signed. In view of the GOS approval not being received within the timelines, the captioned SPA was terminated in July 2025 and advance of Rs 2,000 lacs was required to be refunded to the buyer. During the year, in view of the cancellation agreement , the entire amount of Rs. 2000 lacs has been refunded back. The entire exposure of the Company stands provided for.

6. Assignment of Claims

During the year 2024-2025, the Company had entered into an agreement for assignment dated 20th March, 2025 of its awards from its pending litigations relating to its earlier road projects namely Gorakhpur Infrastructure Company Private Limited and Igatpuri Highways Private Limited for an aggregate sum of Rs. 675 lacs with a residual interest in the claims based on waterfall mechanism for each claim. All litigation expenses will be borne by the assignee. The Company had earlier received an advance of Rs. 465 lacs against the same. The Company has received the balance payment against the assignment agreement in July, 2025 and accordingly revenue has been recognized in FY 2025-26.

7. Material Uncertainty related to Going Concern

There is a continuing mismatch of cash flows including the dues to the subsidiary which are due for repayment pursuant to negotiation. The current liabilities are in excess of current assets by Rs. 1,12,907.20 lacs as at March 31, 2026. The liquidity crunch is affecting the Company's operation with increasing severity. Further, various projects of the Company as stated in detail in Note 4 & 5 above are under stress and the outcome of the continuance of these projects would be dependent upon favorable decision being received by the Management on the outstanding litigations. The resolutions planned by the Management are pending since a long time and are not concluding in favor of the Company.

The Management, however, is confident that the going concern assumption and the carrying values of the assets and liabilities in these Standalone Financial Results are appropriate. Accordingly, the Financial Statements do not include any adjustments that may result from these uncertainties.

Basis for Opinion on the Audited Standalone Financial Results for the year ended March 31, 2026.

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under Section 143(10) of the Companies Act, 2013 (the “Act”). Our responsibilities under those Standards are further described in paragraph (a) of Auditor’s Responsibilities section below. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“the ICAI”) together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2026 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Material Uncertainty relating to Going Concern.

We invite attention to Note 7 of the Financial Results relating to material uncertainty relating to going concern. The Company’s current liabilities exceeded current assets significantly and are at Rs. 1,12,907.20 lacs as at March 31, 2026. There is a continuing mismatch including defaults towards payments to its lenders and in payment of its financial obligations towards its subsidiary Company. The liquidity crunch is affecting the Company’s operation with increasing severity. We also invite attention to note 4 and 5 of the Results wherein status of various SPV projects which are stressed due to delay in completion, cost overrun, liquidity crunch and have legal issues, arbitration proceedings or negotiations including the company’s pending appeal in Supreme court against the NCLAT order. The future of these projects as also the successful progress and completion depends on favourable decisions on outstanding litigations being received by the Management. The resolutions planned by the Management are pending since a long time and are not concluding in favour of the Company. These conditions indicate the existence of Material Uncertainty which may impact the Company’s ability to continue as a going concern. Our conclusion is not qualified on this matter.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters;

(a) Attention is invited to Note 4 (a) of the Financial Results in respect of Patna Highway Projects Limited (PHPL) where the CIRP proceedings had been initiated. NCLT has approved the resolution plan vide order dated May 10, 2022 submitted by Resolution Professional and as per the NCLT Order no surplus is available to the Company. The Company lost the appeal before NCLAT and has filed an appeal in Supreme court against the NCLAT order and expects a favourable outcome on the matter. Pending the outcome, in view of the long pendency of the matter under litigation, the Company out of abundant caution and on the principle of prudence has impaired the entire exposure in its books for accounting purposes while retaining its right to litigate. The Lawyers have advised the management that it has a good case for a favourable outcome of the litigation. Since the invocation of guarantee is also subject to litigation as detailed in the note, the Company has not accounted the invocation. Exposure of the Company is Rs 1,19,024.39 lacs (non – funded) and funded exposure of Rs. 21,294.65 lacs, the funded exposure is already provided in financial results.

(b) Attention is invited to Note 5 (a) of the financial results in respect of Indira Container Terminal Private Limited, where the exposure of the Company pursuant to the achievement of the OTS and the introduction of the new investor is Rs. 4,834.87 lacs (funded) and Rs. 3,500 lacs (Bank

Guarantee), the management asserts that this amount is due and receivable from operations, on account of the improved viability pursuant to the OTS, and the arbitration claims and does not need any provisions presently.

We have relied on the management assertions in this matter and our report is not qualified on this account.

- (c) Attention is invited to Note 5 (b) of the Financial Results, relating to a Pravara Renewable Energy Limited, where there are multiple legal challenges existing before various fora which are not concluding with respect to Karkhana has taken illegal / unauthorized possession of the Plant and has been running the plant without authorization / consent of the Company, no information is forthcoming regarding purchase/sales from the project although the same are carried out in the name of the SPV, the receiver appointed by the DRT does not report the transaction to the SPV and operates the unit without recourse to the management of the SPV, the SPV is marked as a NPA by the lenders, the statutory auditor of the SPV have disclaimed their opinion in their audit report for the year ended March 31,2024 for illegal occupancy of the factory by Karkhana and that the access to facility and records and transactions for the period from January 1, 2022 to March 31, 2024 are not available with the Company and since then no financial statements are available.

Based on recent updates, karkhana has withdrawn its Securitization Application in view of the DRT order dated 27-02-2025, wherein it was noted that the Plant was auctioned and in view of the banks recovering their dues in the auction. The SPV unaware of all these developments between kharkana and lenders has filed Interim Application (IA) before DRT, Mumbai to seek the details and documents of auction from the Bank and is awaiting the final hearing on the matter.

The Company on a prudent basis has provided for the entire funded exposure in the previous period, however there is exposure towards non funded exposure of Rs 19,167.00 lacs.

Our report is not qualified on this account.

- (d) We invite attention to note number 5 (c), wherein the Company has detailed about the Settlement Agreement with MPRDC/MORTH by one of its SPV namely SSRPL and the One-time settlement agreement with the lenders where the Company also is a party. During the year, the OTS was completed and the necessary payments were made by MORTH/ MPRDC in terms of settlement agreement, and the necessary impacts for the OTS have been given by both the SPV and also the Company in its financial results.

The SPV have received confirmation from the lenders of the SPV that payment have been received from MORTH/ MPRDC pursuant to the One-time settlement agreement and subsequently the SPV has also received no dues cum release certificate from Punjab National Bank (Lead Bank) on behalf of all the members of the Lenders Consortium confirming that the Corporate guarantee given by the Holding Company i.e. AJR Infra & Tolling Limited (Corporate Guarantor) has been released and the Corporate Guarantor is discharged from all liabilities and Bank dues. In view of the aforesaid settlement and subsequent receipt of no due cum release certificate, the Company has reversed the said liability in its books and reversed the provision made against the receivable from the SPV. The said reversal is shown as an Exceptional item.

Our report is not qualified on this account.

5. **Project related notes:** In respect of the following projects / Special Purpose Vehicles (SPVs) of the Group there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

- a. **Indira Container Terminal at Mumbai:** During the year 2024-2025, the Company has transferred control to the new management pursuant to one time settlement with the lenders and has transferred its entire shareholding in the Company retaining only beneficial interest in equity instrument in respect of 16.29%. The Company has accounted the beneficial interest as non-current investment classified as investment at fair value through profit and loss. Further since the Company has retained beneficial interest in the equity instruments only from the year ended March 31, 2025 the management does not expect material changes to its fair value and hence is carried without any adjustments to its fair value.

All Pending litigations will now be taken up by the new management. However, the Bank Guarantee of Rs. 3,500 lacs continue to be given in the favour of lenders even after the OTS has been achieved. The Company is taking steps to release the Bank Guarantee by replacing the bank guarantee from the new investors.

The net exposure of the Company in ICTPL including investments and loans is Rs. 4,834.87 lacs (funded) and Rs 3,500 lacs (non- funded bank guarantee).

- b. **Pravara Renewable Energy Limited** - Pravara has entered into a Project Development Agreement (PDA) with Karkhana (Padmashri Dr. Vithalrao Vikhe Patil Sahakari Sakhar Karkhana Limited) for the development of a 30 MW Cogeneration Project on Build-Own-Operate-Transfer (BOOT) basis. The Concession period is 25 years from Commercial Operation Date (COD).

Karkhana had taken illegal / unauthorized possession of the Plant and had been running the plant without authorization / consent of the Company. No information was forthcoming regarding purchase/sales from the project although the same are carried out in the name of the SPV. The receiver appointed by the DRT did not report the transaction to the SPV and was operated the unit without recourse to the management of the SPV. The SPV is marked as a NPA by the lenders. There are multiple legal challenges existing before various fora which are not concluding. It came to the knowledge of the SPV that the Securitization Application No. 209/2021 filed by Karkhana was withdrawn in view of the DRT order dated 27-02-2025 wherein it was noted that the Plant was auctioned and in view of the banks recovering their dues in the auction , the purpose for filing the Securitization Application had been fulfilled and therefore the applicant (Karkhana) had withdrawn the Securitization application No. 209 of 2021. The SPV unaware of these developments and aggrieved by the DRT order, filed an appeal on 01-04-2025 before DRAT, Mumbai and has also sought relevant documents from Central Bank of India and DRT Aurangabad. In view of no proper response being received, the SPV has filed Interim Application (IA) before DRT, Mumbai to seek the details and documents of auction from the

Bank. The Tribunal directed the bank to file the disclosure, the bank filed its disclosure on January 05,2026, said IA is now pending for hearing on July 21st ,2026.

Lenders of the SPV , Central Bank and Union Bank had filed OA No. 69 and IA 509 before DRT Delhi against the SPV and its directors for recovery of their dues. The SPV had challenged jurisdiction and filed written statements and counterclaims. Multiple IAs were heard and while the final arguments and disposal of pending IAs is ongoing, matter has been further adjourned to 3rd July ,2026. The Tribunal erroneously held SPV's written statement as time-barred against which the SPV has filed an appeal under Section 20 of the RDB Act.

In view of the multiple legal issues going on at various fora and the SPV still being not in possession of the Plant, the entire funded exposure of the Group in the SPV had already been provided in the books on a prudent basis. The non funded exposure of the Group is Rs 19,167.00 lacs.

In view of the above-mentioned facts the management of the SPV contends that

1. The litigation is outstanding since more than 3 years and there is no progress in the matter before the courts.
2. The receiver appointed by the DRT does not report the transactions to the Company and takes decisions of the Company Management.
3. Since there is no progress in the matter in accordance with IND AS 110 para 7 the Company has effectively lost control over the operations and is unable to direct the variable rights from its exposure in its favour.
4. It has no record of transaction entered into on its accounts nor it has access to its cash flows.

Therefore, pending the settlement of the litigation, the Company contends it has no control and does not satisfy para 7 of INDAS 110.

The Statutory Auditors of the SPV on account of non-inclusion of aforesaid transactions conducted by the receiver has given a disclaimer of opinion as at March 31, 2024. The Financial Statements of the SPV are not available since then.

- c. **Sidhi Singrauli Road Project Limited (SSRPL)** (SPV of the company) had signed a Concession Agreement (CA) for 30 years for upgradation of the existing highway from two-lane to four-lane with Madhya Pradesh Road Development Corporation Limited (MPRDC) ON BOT basis.

In respect of the aforesaid Concession, the said Madhya Pradesh Road Development Corporation had terminated the contract against which the SPV had filed claims for wrongful termination and initiated dispute resolution. The Ministry of Road Transport and Highways (MORTH) was also roped into the litigation. The SPV applied for amicable resolution with MPRDC and MORTH and pursuant to the acceptance, the Conciliation committee was formed. After several rounds of conciliation proceedings, the conciliation committee finally decided on the amount of claim. Pursuant to the acceptance of the conciliation committee decision by all parties, the SPV, MPRDC and MORTH entered into a Settlement agreement dated 25th March 2025.

The SPV had also been simultaneously discussing with the bankers for an one-time settlement (OTS) for settling its dues of a staggering 1,10,462.42 lacs which includes principal and unpaid interest. The terms of the OTS was agreed by way of an in-principle sanction dated January 16, 2025. The Company, SPV and all the lenders entered into a One Time Settlement Agreement dated March 18, 2025, pursuant to which MPRDC and MORTH paid an amount of Rs. 27,500 lacs directly to the lenders in full and final settlement of their dues on 16th April,2025.

The Salient features of the settlement agreement with MORTH and MPRDC was the following

1. Payment of a Sum of Rs. 27,500 lacs directly to the lenders against their OTS sanction
2. Payment of a sum of Rs. 31,064 lacs directly to the sub-contractor who has been working on the project and whose claims have directly been lodged to MPRDC.
3. All GST liability will be borne by the EPC Contractor. We are informed that they have raised the invoices and paid the GST. Therefore, the SPV is not required to raise any invoices towards the OTS Settlement amount of Rs. 27,500 lacs.

During the year, the SPV has given effect of One-time settlement with the lenders in its books of accounts. On account of the same following effects have been taken in these Consolidated Financial Results:

- i. Write back of loan liability of Rs. 82,962.42 lacs
- ii. Settlement amount of Rs 27,500 lakhs paid directly to the Lenders by MORTH /MPRDC against the OTS Sanction has been recognized in the books of accounts as a reduction in the carrying value of the Intangible asset under development being the same in the nature of re-imburement from the grantor as per the settlement agreement and the claim of the SPV.
- iii. Write off of Carrying value of Intangible asset under development of Rs. 49,851.33 Lacs.
- iv. Reversal of Provision for Impairment of intangible asset under development of Rs. 77,351.34 lacs.
- v. Other write-back representing liabilities not payable of Rs. 635.97 lacs.

Against the Corporate Guarantee given by the Company to the lenders of the SPV, the lenders had invoked the said Corporate Guarantee of the Company which the Company had accounted for as current financial liability. The SPV has received no dues cum release certificate from Punjab National Bank (Lead Bank) on behalf of all the members of the Lenders Consortium confirming that the Corporate guarantee given by the Holding Company i.e. AJR Infra & Tolling Limited (Corporate Guarantor) has been released and the Corporate Guarantor is discharged from all liabilities and Bank dues.

We invite attention to the note in the SPV SSRPL where the SPV has stated in its financial results

“Pursuant to the One-time Settlement with bankers and the MORTH, there being no other activities proposed in the Company these Financial Statements are not prepared on a going concern assumption and the asset and liabilities carried in the balance sheet are assumed to be at their relevant realizable/payable values. The principal amount of assets are dues from Holding Company against which provision has been made”.

- d. The Company has incorporated a SPV for developing **Rangit-II Hydroelectric Power Project in Sikkim** on Build, Own, Operate and Transfer (BOOT) basis. The Project involves the development of a 66 MW run-of-the-river Hydroelectric Power Project on Rimbi river, a tributary of river (COD). The Project is presently in a state of limbo pending the signing of PPA and achieving financial closure.

The Company had received an advance for acquisition of the SPV along with the project. As per the MOU signed with the Prospective Buyer, the Purchase consideration of Rs 2,000 lacs was received upfront but it was subject to the due diligence to be conducted and SPA being signed within 31st March,2025. Till then, the captioned amount of Rs 2,000 lacs was supposed to be treated as a refundable advance. The buyer has conducted the necessary due diligence however there were pending approvals from authorities, due to which the SPA was not signed. In view of the GOS approval not being received within the timelines, the captioned SPA was terminated in July 2025 and advance of Rs 2,000 lacs is required to be refunded to the buyer. However, during the year, in view of the cancellation agreement the entire amount of Rs. 2000 lacs has been refunded back. The entire exposure of the Company stands provided for.

6. Assignment of Claims

During the year 2024-2025, the Company had entered into an agreement for assignment dated 20th March,2025 of its awards from its pending litigations relating to its earlier road projects namely Gorakhpur Infrastructure Company Private Limited and Igatpuri Highways Private Limited for an aggregate sum of Rs. 675 lacs with a residual interest in the claims based on waterfall mechanism for each claim. All litigation expenses will be borne by the assignee. The Company had earlier received an advance of Rs. 465 lacs against the same. The Company has received the balance payment against the assignment agreement in July,2025 and accordingly revenue has been recognized in FY 2025-26.

7. Provision for Taxation in SSRPL

Pursuant to the one-time settlement and the settlement agreement with MORTH, the SPV SSRPL has written back the liability to the banks which includes principal and interest. The SPV on finality of the settlement has written off the intangible asset under development in its books as a business loss. The SPV approached a senior tax counsel for tax implications arising from the aforesaid two settlements and the accounting effect thereof. On the basis of the opinion of the tax counsel the SPV has not made any provision for taxation in its financial statements. The auditor of the SPV has made an Emphasis of Matter for the same drawing attention to the fact that the provision for taxation is based on the legal opinion.

8. Material Uncertainty related to Going Concern

There is a continuing mismatch of cash flows including the dues to the subsidiary which are due for repayment pursuant to negotiation. The current liabilities are in excess of current assets by Rs. 98,248.35 lacs as at March 31, 2026. The liquidity crunch is affecting the Company's operation with increasing severity. Further, various projects of the Company as stated in detail in Note 4 & 5 above are under stress and the outcome of the continuance of these projects would be dependent upon favorable decision being received by the Management on the outstanding litigations. The resolutions planned by the Management are pending since a long time and are not concluding in

favor of the Company.

The Management, however, is confident that the going concern assumption and the carrying values of the assets and liabilities in these Consolidated Financial Results are appropriate. Accordingly, the Financial Statements do not include any adjustments that may result from these uncertainties.

The resolutions planned by the Management are pending since a long time and are not concluding in favour of the Company. These conditions indicate the existence of Material Uncertainty which may impact the Company's ability to continue as a going concern. Our conclusion is not qualified on this matter.

(b) In respect of Subsidiary in the following case the auditors' have carried a paragraph relating to going concern which is extracted from the Independent Auditors' Report of the respective component detailed below:

i) Sikkim Hydro Power Ventures Limited

We draw our attention to Note No 23 of the Standalone Financial Statements of SPV that details uncertainty faced by the company in signing of Power Purchase Agreement (PPA) and various factors affecting the progress of the project resulted in stoppage of work. However, based on the request of the company, Govt of Sikkim, Power Department has approved extension of Commercial Operation date (COD) for a period of 4 years from 3rd June, 2022. The Management of the Holding Company has been in active discussions with Prospective buyers for a possible buyout of the Company. Meanwhile, the company has received a show cause notice of termination of Project agreement dated 24th July, 2024 from the Government of Sikkim and the company has already sent an appropriate response to the same. Though the company management is hopeful of a timely resolution of this matter, in view of the issues and problems associated with the uncertainty related to the progress of the project and associated financial issues, the company has made balance provision in the books of accounts for the year ended 31st March, 2026 amounting to Rs 8,352.72 Lakhs on a prudent basis which has been adjusted against the Capital Work in Progress.

The Company has incurred losses during the previous years due to the Provision made towards Capital work in Progress. The Company had also Converted Inter Corporate Deposit from the Promoters (Classified as Quasi-Equity) to Compulsory Convertible Debentures (Classified as Borrowings) during the previous year ending March 31, 2025. Due to both the above Factors, its net worth has been fully eroded as of the balance sheet date. As on 31st March, 2026, the Company's current liabilities exceed its current assets by Rs 102.67 lakhs, and it has accumulated losses amounting to Rs 9,123.16 lakhs. However, based on Management's plan for evaluating various strategic options for the future course of action and pending a final decision, the accounts have been prepared on a going concern basis. Our report is not qualified on this matter.

We invite attention to note number 5 (c), wherein the Company has detailed about the Settlement Agreement with MPRDC/MORTH by one of its SPV namely Sidhi Singrauli Road Project Limited (SSRPL) and the One-time settlement agreement with the lenders where the Company also is a party. During the year the OTS was completed and the necessary payments were made by MORTH/ MPRDC in terms of settlement agreement, and the necessary impacts for the OTS have been given by both the SPV and also the Company in its financial results.

The SPV have received confirmation from the lenders of the SPV that payment have been received from MORTH/ MPRDC pursuant to the One-time settlement agreement and subsequently the SPV has also received no dues cum release certificate from Punjab National Bank (Lead Bank) on behalf of all the members of the Lenders Consortium confirming that the Corporate guarantee given by the Holding Company i.e. AJR Infra & Tolling Limited (Corporate Guarantor) has been released and the Corporate Guarantor is discharged from all liabilities and Bank dues. Basis above SPV and the Company has given necessary effects in its financial results for OTS.

- b. We invite attention to the note in the SPV SSRPL which is reproduced in note no. 5(c) where the SPV has stated in its financial results

The principal amount of assets are dues from Holding Company”.

The auditors of the SPV have made Emphasis of Matter. The major amounts in the SPV balance sheet have been adjusted against the holding company balances.

Our report is not qualified on this account.

- (e) We invite attention to note no. 7 - Pursuant to the one-time settlement and the settlement agreement with MORTH, the SPV SSRPL has written back the liability to the banks which includes principal and interest. The SPV on finality of the settlement has written off the intangible asset under development in its books as a business loss. The SPV approached a senior tax counsel for tax implications arising from the aforesaid two settlements and the accounting effect thereof. On the basis of the opinion of the tax counsel the SPV has not made any provision for taxation in its financial statements. The auditor of the SPV has made an Emphasis of Matter for the same drawing attention to the fact that the provision for taxation is based on the legal opinion. We have reiterated the said emphasis of matter in this consolidated financial results. Our report is not qualified on this account.

Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The statement includes the results of the entities as listed under paragraph (a)(i) of Opinion and Conclusion section above.
